Miss Robin from the Heart of America Library. Robin worked through the COVID 19 in style. She did an online Facebook story time to stay in touch with the kids and was always ready and willing to get your books ready to be picked up at the door. She even takes time to do home deliveries if needed.

Congratulations Robin.
Thank you for all you do for the patrons of the Library!

Customer Service Award Winner

Laura from the Coffee Cottage. She is quick to greet everyone who enters and comments were made of how quick and efficient she was in between customers making sure all COVID 19 guidelines were followed and doing so with a smile on her face. Congratulations Laura!

Customer Service Award Winner

Sandy from Hardware Hank! Thank you Sandy for your bright smile and greetings when all enter Hardware Hank. A couple people commented- I'm not sure how she knows me - but she always call me by name! That is the Customer Service everyone has come to expect at Hardware Hank. Congratulations Sandy.
